# SAFE PRODUCTS =

# SAFE CHILDREN

**For parents, nothing is more important than your child's safety.**

**We agree.**

**That's why the Harper Government delivered a product recall website.**

“It doesn't matter if the product comes from Europe, Asia, the United States or anywhere else. Everything you buy in Canada should be subject to Canadian standards of quality. Even one story about hazardous products is one story too many. We're going to use every tool at the government's disposal to keep Canadian households healthy and safe.”

Hon. Gerry Ritz, PC, MP  
Battlefords - Lloydminster
